Final Daylight Two-Wheeler Go Slated for Carrell's Sunday

Greatest motorcycle racing entry in the history of the winter and spring Sunday afternoon speed season will gather at Carrell Speedway Sunday afternoon for the final cycle daylight race of the year.

Cliff Onan, AMA official, informed Carrell Promoter Don Basile that better than 100 entries would invade the local half-mile for the speed test.

It will be the last race of the Sunday series for the cyclists. The night cycle season at Carrell will begin for the motorcycle speed demons June 6 and will continue every Friday night for the duration of the summer.

The May 3 program will feature the three divisions of the AMA, amateur, novice and expert, with rugged competition expected in all three sections. Fourteen events are on the card. Top interest is the renewal of the racing feud between

Chuck (Battling) Basney and Dashing Don Hawley, who are continuing their battle where they left off last year. Then there will be Tex Luse, veteran North Hollywood star; Cranshaw Johnny Gibson, Jimmy Phillips, Keith Vacarro, Dude Criswell and a newcomer to the expert ranks, Bert Rausch of Long Beach, plus another new face, Arch Johnson, Los Angeles ace. Qualifying will start about noon with the first of the fourteen races starting at 2:30. Seats will be \$1.50, with kids under 12 free if accompanied by an adult.

State Wardens Say Trout Season Will Be Only Fair

With one eye on the weather and the other on trout waters, wardens of the California Department of Fish and Game have come up with their annual advance prediction of conditions which will face the trout anglers who open the early angling season Saturday.

The state-wide verdict: Something between fair and good.

with many very good and excellent spots and here and there a poor and very poor outlook.

On the whole, the wardens think, opening week-end prospects will be slightly above average, but with low water conditions expected in many parts of the state earlier than usual, the outlook for the remainder of the season is not so hopeful.

On the basis of forecasts made a week or two ago, the wardens say that the open waters in and near the Sierra will offer for the best trout angling success.

Except for Tahoe, Donner, Bupt, Boca, Almanor, Bucks, Earl and Talawa lakes, the season is closed until May 30 in Tuolumne, Alpine, Calaveras, Amador, El Dorado, Placer, Nevada, Sierra, Plumas, Lassen and Del Norte counties, and Humboldt County coast tributaries. The general bag limit is 15 trout or salmon, or combination.
